

*Lewis J. Obi M.D., FRSA, is a board certified plastic surgeon who established the first licensed plastic surgery center in Florida. As an innovator, he has pioneered many procedures and recently worked extensively with lasers and adult stem cells derived from fat. He has lectured internationally on these topics as well as the broader scope*

*of plastic surgery. His love and passion for art expressed through his international firm of Obiarts resulted in the induction of Dr. Obi as a fellow to the Royal Society of Art, London (FRSA) in 1986. Obiarts has contributed world class art to dozens of major museums and institutions.*
